REV'S REFLECTIONS

MONDAY MORNING.... Checked my computer and was glad to see it was working. It's the start of another new week and I hope it is better than the one we just finished. Spent hours trying to correct problems with my computer...attended several meetings of organizations that I volunteer for and two of them were so boring and long you could have cut the boredom with a knife (speakers spoke too long and said nothing)...had a couple of appointments set up and all but one of them canceled...took some time off to spend with one of our daughters who was camping at Lake George and it rained buckets on the way and while we were there (did get to shop some outlets and save a couple of dollars) ...the whole week was one frustration after the other...and finished with two weddings on Saturday.

Yet, not all the week was frustration. I could spend some time with a man from our congregation who ended up in Kingston hospital and I could help him and work out some the needs he faced. Even found I could volunteer to feed his parakeets and got to know them a bit better as the supplier of their food and water. The computer came back in time,

even a bit late, to send the bulletin to Dan and I remember typing that Sunday was the deadline for the Newsletter...never even sank in and I went on my way. Then, was on the computer this morning and Merry said to someone else, "If you want to add to this, I will be getting the Newsletter done by Wednesday." I HAD DONE NOTHING FOR THE NEWSLETTER.... EVEN THOUGH I KNEW SUNDAY WAS THE DEADLINE!!!! Ah, but there it was...a little bit of a thing called grace. I still had time to get in touch with Merry... I still could get my letter in the publication, even though it was late and if I had not told you all this, you would never know, only Merry and I would be aware of it. GRACE ABOUND.

Started me thinking about grace... something we take for granted in most of our life and faith, yet the very core of all that we find in our relationship with God. Paul writes over and over about grace. We are saved by grace so that none of can boast as to how holy we are...We are not saved by our works or our righteous living, but only by grace. It is a free gift from God to all who seek His love and mercy. It is grace that gives us another chance, like

Church Membership...

If you are considering membership in the High Falls church, please stop after worship and talk to REV or give him a call during the week to discuss what it involves on your part. We would be happy to have those considering this as "their church" to actually join as members.

Merry did for me to get this item in the Newsletter. It is mine as a gift and a free gift as well. It is the action of God, which tells us, to try again and to learn in the process of our encounter with Him. It comes into our lives over and over again, day after day, as we fail so many times; yet, He welcomes us back and says that is what grace is all about. It is what the old hymn is talking about when it says that grace comes down from heaven above and

floods over our soul in His infinite mercy and love... Un-deserved, un-merited...not even asked for by most of us, but always there to flood and cleanse our souls.

It's yours as well as mine. The fact that God loves us openly and freely and He comes to us not in wrath and judgment, but in love and grace. He embraces us and enfolds us in His arms of love and mercy and gives us the gift of grace. Look for it in this week and even if it is a week that may turn out like my "bad week"

last week, in it you will still find grace. I did, as it all finally worked out and I could even slide under the deadline by the grace of Merry. So too do we all find ourselves in the presence of God's love and grace, even when days are dark and weeks are lousy and not enjoyable. His grace will always be there to enfold and enrich us no matter what may come in life... It's His gift to each one of us and all we need to do is reach out and take it.

The Sacrament of Holy Communion is observed the first Sunday of each month and we are invited to come to His table to recount His sacrifice and once again to see His love. Join us...the service begins at 10:00 am.

Your Consistory at Work (July & August)

- The idea of a reverse offering seems to have gone over well resulting in increased donations to Food Pantry
- We have been discussing the need for some guidelines re the different accounts available to the chair of Deacons—where the money should come from and how it is to be used...the deacons will meet again and present some guidelines for the approval of the whole Consistory.

- We are planning a "Deacon's Dinner" for April. 50% of the proceeds will go to the general fund and 50% to the Deacon's Fund. This dinner will have a German theme.
- Suggestion —perhaps you would consider remembering the church in your will
- Dan has gotten the stamp of approval from architect, Kurt Sutherland for the bathroom renovation/handicap accessible project. Dan will be removing the

- cabinets by the windows near the existing bathrooms in order to make the changes as well as finding a way to take care of the "spongy" area of the floor in the corner by the bathrooms.
- The deacons have also made plans to finish work at the parsonage, including replacing the boiler. Sept 11 is the designated work day at the parsonage.
- Rev was successful in getting an \$800 grant from Synod to be used for VBS this year.

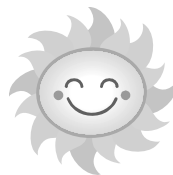

Next Newsletter Deadline is... October 24 please contact Merry Oakley if you have news, info, photos to share in the Newsletter, on the website, or on a Church bulletin board.

(Continued from page 2)

- We are looking for a PR person as Patti has stepped down from that position. We are also looking for someone to be clerk of consistory, treasurer, help with directory, and more...see page 9 for more info.
- We will do another mass mailing in August which will include info on September events such as when SS begins, Kid's Day, Spaghetti Dinner, Ham Dinner
- A survey re new music & 4th Sunday worship format will be handed to those coming into church on at least two Sundays in September; a box will be in the back to collect slips.
- Warwick Center has some painting that needs to be done this year...Rev has suggested that we make a donation of \$50 for paint as we are not likely to get any volunteers from our congregation. Consistory okayed this but Richard also expressed an interest in going to help paint the East House at Warwick.
- Rev is being honored by the Boy Scouts of America @ a special dinner at Wiltwyck...for his work through the years on the God & Country badges.
- Rev would like to do an article for the Synod and maybe the RCA website about the NM Mission along with photos.
- The Sunday School update... Gail Wikane will be Sunday School superintendent; she and Jane Williams will teach and Lorna Schimmrich, Esther Stickley & MaryAnn Wright will be available to substitute as needed. Sunday school will begin on Sept. 12 at 10:00 am, with Kid's Day Celebration on

the following Sunday, September 19th. Richard will ask Gail for permission to talk to the children about different choices for a mission project that might specifically be of interest to the children.

- Andrew's blood drive will be held Aug. 18th, from 3:30 pm to 8 pm in the Fellowship Hall.
- Wendy Lowe and Merry are planning an organizational meeting for this year's Churches of the Valley Music Festival.
- We will hold a Spaghetti dinner will be Sept. 18th.

- Merry also spoke to the congregation on the 8th about the various ways they could help take part in the workings of the church. Such as Clerk for Consistory, Treasurer, assistance with the directory update, Chair for the NM Mission, etc. Notices will be posted on the bulletin boards and in the bulletin.
- Peggy Ayasse thanked the present consistory for the fine job they have done so far.

Time for Directory Update

It is time once again to update our Directory of Members and Friends. We plan to begin work on this in September and have it ready for distribution in January. You will be receiving cards with your information as we have it; if there are corrections to be made or information to add, this is your chance! For those who would like a new photo in the directory, we will have someone available to take photos at the church in September and October. We will be updating our mailing list at the same time so we will also ask your preferences as to whether you would like to receive newsletters or other mailings via email or US postal service.

Thanks in advance for your help!

Worship Survey

Last October, we made some changes to our Sunday morning worship service. The 9:00 am service was ended and we made a few changes to the traditional service. We will be handing out the Worship Survey to the congregation in September...asking for some feedback re these changes. Your thoughts are important to us as we continue to evaluate and plan for the

Women's Guild & Men's Group

Some Old Farmer's Advice...

Forgive your enemies...it messes up their heads. Words that soak into your ears are whispered...not yelled. Meanness don't jes happen overnight. Do not corner something that you know is meaner than you. It don't take a very big person to carry a grudge. You cannot unsay a cruel word. The best sermons are lived, not preached. Good judgment comes from experience, and a lotta that comes from bad judgment. Don't interfere with somethin' that ain't botherin' you none. Most of the stuff people worry about ain't never gonna happen anyway. Remember that silence is sometimes the best answer. Don't pick a fight with an old man; if he is too old to fight, he'll just kill you. Live simply. Love generously. Care deeply. Speak kindly. And, leave the rest to God!

Women's Guild

The Women's Guild will resume meeting again on the 4th Sunday of every month following a Pot-Luck Luncheon.

Guild president, Kathy Walbert would like to invite all women of the church to be a part of the Guild. We are always looking for new ideas to help the church and the community and would welcome your input.

Many thanks to all the ladies who have hosted Lemonade on the Lawn throughout July & August.

The Community Church of High Falls Brandon Wolf Scholarship Fund has recently been established for a graduating high school senior or a currently attending college

student from CCHF. The Scholarship fund was started with a donation from Joe and Peggy Wolf, who lost their 26 year old son, Brandon, in a car accident last June. They wanted to help create a "lasting tribute to our very special son". The Scholarship fund is to be an ongoing one, with donations gladly accepted to help keep the fund available for our youth continuing with higher educational endeavors. The Women's Guild is still working on the application process for these awards. A letter of application will be required from the student, explaining why they deserve the scholarship. Any questions about this, please contact Julie Boice (687-0721).

Men's Group

What do the men do? In the past they have looked at the symbols & activities of Advent, and of Lent, discussed the days after Easter that lead up to Pentecost and how the writers of the Gospels saw it in differing ways, and visited with some of the men & women at the Golden Hill Health Care Facility.

Now that September is here, the Men's Group will resume 4th Sunday meetings...

Both Groups will meet after Sunday service on the 4th Sunday of every month for Pot Luck Lunch and followed by a meeting.

Join Us...

All are welcome!

Women's Guild Christmas Bazaar

November may seem far off at this point but next thing you know, it will be time for the Women's Guild Christmas Bazaar.

Hope everyone is busy making things for the various tables...Christmas crafts, homemade items such as pillows, throws, mittens & hats, scarves, aprons, table runners and so

on. Other ideas include birdhouses, bird feeders, door and wall hangings. How about pickles, jams and such? And, maybe you have some items for Grandma's Christmas Attic...(used but not abused).

And, the bake table will, of course, be looking for cookies, breads or pies as

Bring a Dime Every Time

Ever wonder what happens to all those dimes (and other change) that we deposit in the jar in the back of the church? Well, we collect them over the course of the year and then in January, we hold a Potluck "Roller" Luncheon during which we eat, fellowship, and roll dimes, which will subsequently go to the Rondout Valley Food Pantry.

- Richard Albert, Chair of Deacons

Rondout Valley Food Pantry

Please keep the donations of food coming...the need is great. We are able to purchase food from the food bank in Newburgh at a good price with donated money or grant money. Your donations of non-perishable food items help us stretch out these monies, so we can help more people. We also accept personal care items such as toothpaste, deodorant, and shampoo. Surplus garden veggies are a welcome addition during the summer months.

Thanks for your help and God Bless!

Food Pantry Liaison Shawl Ministry

Creating prayer shawls is a wonderful way to reach out to those who are experiencing difficult or in some cases joyous times. A soft and embracing shawl says more about love than we can ever express. If you know of a special someone who might benefit by this ministry or if you would like to take part, please be sure to let us know.

Donations of yarn or funds to purchase yarn for these shawls are welcomed. We usually meet on the second and fourth Thursday of the month but some members work at home. Anyone who is interested in learning more about prayer shawls may contact Joan (626-7359). Patterns and instructions are available.
