

† POMPTON REFORMED CHURCH LIFE †

Chancel flowers are in loving memory of our granddaughter Emma given by Erika and Bill Herz.

A separate Memorial Day Service will be held following worship today to honor those who serve or have served to ensure and protect liberty and freedom for the Americans and people around the world.

Nursery services are available each Sunday during worship. Jessica Fischer is often in place, along with additional volunteers, as we two adults, or adult and older youth each week. The service is televised in the room (down the long hallway near the exit). More volunteers are needed, so sign-up by the kitchen bulletin board for this valuable ministry.

Minutes from all of PRC's committees and consistory are posted on the hallway bulletin board by the office. Check out what our committees are doing, and feel free to sit in anytime. All meetings are open, and volunteers are welcomed!

Chancel Flowers are available most Sundays – *in memory of* or *in honor of* loved ones – for a thirty-six dollar donation. Many dates still open. Reserve yours today! Schedule through the church office. 973-835-0541.

The class is being offered by a member of our sister church, Oasis Con Cristo, the Hispanic church who worship here on Saturday night. Our instructor will be Paul Chuquimarca, a Pompton Lakes high school senior. As a requirement for a scholarship Paul must provide some sort of service to the community. We have decided to have him teach us a bit of conversational Spanish. Please pray for Paul as he prepares to teach. Let Pastor Debbie know if you are interested.
